

AETERNUM
YOUR PLACE IN SPACE

Statement of Final Wishes

I, the undersigned, as a member of Aeternum Space (<https://aeternum.space>) intend to record my wishes to have the following services performed in remembrance of me:

☐ **Shooting Star Service** - I wish to have a symbolic portion of my ashes launches into low earth orbit, returning to the atmosphere in a few years time as a shooting star.

☐ **Space Ark Service** - I wish to have a symbolic portion of my ashes launches into deep orbit, orbiting my descendants for generations to come and eventually drifting off to explore the Milky Way.

☐ **Data Only (no ashes)** - I wish to have a digital memoir of my life lauched into deep orbit, remaining in space, waiting to be discovered, for tens of thousands of years. [PLEASE CHOOSE, AS APPLICABLE:]

☐ I have pre-prepared this digital memoir, which can be found at:

.....

☐ I wish my executor(s) to prepare my digital memoir, and include:

.....

☐ **Pre-paid/Bespoke Service** - I have arranged my wishes in advance with Aeternum Space, and request that my executor(s) contact Aeternum to carry them out. Please quote the following customer number:
